

Welcome to Kyowa Kirin Cares

Enroll your patients so they can
access available support.

**Begin the process at
kyowakirincares.com:**

Download the Kyowa Kirin Cares CRYSVITA enrollment form,
fill it out with your patient's information, and fax it to 833-552-3299.

Kyowa Kirin Cares helps to get your patients from prescription to therapy.

Once you enroll, a Case Manager will assist your patients with information regarding access
and reimbursement options.

**Upon receiving the
completed enrollment
form,** Kyowa Kirin Cares
will begin the benefits
investigation (BI)
process for the patient.

**Within two business days, you will be
informed of the status of the BI.** If CRYSVITA
is covered by the patient's insurance, you
will receive a summary of the BI. If a prior
authorization or exception is required, a Case
Manager will call to inform you of next steps.

**Field Reimbursement Managers (FRMs)
can help navigate documentation
required for insurance coverage.**
